Welcome Cunard Families!

*Tag! We're it!* Welcome to the 2024-2025 school year! We're very excited to see everyone and welcome our new students to the Clipper Crew! A big welcome to our incoming grade 5's and their families! We have a great year planned for students this year and wanted to share some new information about this year as well as detailed information about the start of the year! We hope you've all had a great summer! We are looking forward to seeing you soon! We would also like to welcome some new staff! Our school enrollment has increased, so we are excited to add some additional staff to the team! A big welcome to Mary Middleton who has accepted the permanent Vice Principal position. We would also like to welcome Mr. Foster (Grade 6), Mr. Mould (Grade 5 for Ms. Power), Ms. Grant (Teacher), Ms. Dibra (EPA), Ms. Weaver (EPA) and Mr. Hazelwood (Junior High Intervention)! A big welcome back to Ms. Wigginton, Ms. Flack, Ms. Patullo (French), and all the other staff here at CJHS!

We understand there are many questions you may have! The Admin Team will be available to answer questions the week of August 28<sup>th</sup> onward. It is a very busy time, so we thank you in advance for your patience ☺ Please note the important information in this newsletter and on the website, especially around the new Provincial Directive on Cell Phone Use in Schools. We are excited to welcome back our returning Clippers and are excited to meet the new members of the Cunard family! Here's to a great year!

### **VERY IMPORTANT: Changes to Class Times and Dismissal**

HRCE has issued new entry and dismissal times. Please note students will enter the building at **8:00 am** and be dismissed at **2:10pm**. Lunch will begin at 11:10am and conclude at 12:00pm.

**We ask that students arrive in the morning at 8:00am**-Any students arriving in class after 8:10am will be marked late. It is incredibly important students be in class by the beginning of instruction at 8:10. Arriving late impacts learning for the student arriving, and those in the class once instruction is underway. O Canada and announcements are done later in the morning because beginning school uninterrupted, is incredibly important to the success of our students' day. Thank you for your support and cooperation!

#### **Lunch Timings**

**Students are expected to enter the building at 12:00pm.** Students arriving after 12:10 will be marked late and parents will be notified. Students are always welcome to stay at school during lunch, but are able to leave school property with written permission (Grade 7-8 form sent home on the first day). We simply ask they return to school on time by 12:00. Once students leave school property for lunch, they are unable to re-enter the building until 12:00pm. Grade 5 and 6 will be indoors for the first half of lunch with the 7-8's outdoors. Grade 7-8's will be welcome to come to the lunchroom indoors at 11:35 while the grade 5-6's head outdoors. Please dress accordingly for the weather.

If students are consistently returning late from lunch after being off property, they will be required to remain on school property during the lunch period.

## **Lunch Monitors and Board games/puzzles NEEDED!!**

**As our enrollment increases**, many hands make light work so if you or someone you know is interested in a paid lunch monitor position here at the school, please reach out to the school! We are looking to add to the lunch monitor team. They can be reached at 902-464-2000 or an application package can be picked up here at the main office.

We were excited to have our outdoor gagaball pit installed last spring and will be providing activity bags for our grade 5 and 6 classrooms to use when outdoors! We would like to stock the classrooms with some indoor activities to be used during lunch, especially on rainy days so if you have any board games or puzzles you would like to donate, we'd be happy to collect them from you here at the main office!

## **School Cash**

School Cash online is live and available for parents to use on our school website. School cash offers parents the opportunity to order school lunches, school swag, pay for field trips and any fundraisers we may have! Simply register an account to be able to pay in several different payment forms. [Click here](#) for more information.

## **IMPORTANT: New Provincial Cell Phone Policy Directive**

Last spring, the Department of Education and Early Childhood Development consulted with school advisory councils and ministerial advisory councils, as well as the Public-School Administrators Association of Nova Scotia and the Nova Scotia Teachers Union on the use of cellphones and personal mobile devices in schools. The team also visited schools, spoke directly with principals and teachers and consulted with IWK public health experts. Responses overwhelmingly supported clear, consistent restrictions on cell phone and personal technology device use throughout the school day. We owe it to our students to do what we can to remove distractions and enable them to be fully present and engaged in the classroom. Students who use devices to monitor blood glucose will continue to be able to monitor throughout the school day.

The new Provincial directive is available online: <https://www.ednet.ns.ca/cellphones>

### **Cunard Junior High's Cell Phone/Personal Mobile Device Expectations**

- **Cell phones and Personal mobile devices (air pods, headphones and smart devices) are to be turned off, located in backpacks/cinch bags BEFORE entering the building.**

**The purpose of these expectations is to minimize distractions and disruptions during learning time. When a student is not following the expectations, the following steps will be taken:**

Incident Number	Administrative Action
• 1	Student will be expected to turn phone or personal device into administration to be secured for the remainder of the day and parents/guardians will be notified.

Students are not permitted to answer cell phones during class time, including text messages. Phones must be turned off in accordance with the provincial policy throughout the school day.

Students in Grade 7 and 8 are able to check messages in the lunch room or outdoors at lunch.

If students are feeling unwell. They are to come to the office immediately. Together we will develop and immediate plan for notifying guardians and students can be monitored to ensure their safety while waiting for a parent/guardian to arrive.

If there is an emergency, we ask you to please contact our main office at 902-479-4418 and press 0. We kindly ask for your support. Cell phones are required to be off during the school day, so please call the main office in lieu of calling or texting your child's cell phones during the school day.

### *Communication and School Advisory Council*

Please watch the website for important information. It will be fully updated for this school year by September 1<sup>st</sup>. There is a lot in both the news feed, as well as under the *Our School* Tab. We have a lot of information on the school website/twitter feed that will help keep you informed! It is also the place to purchase hot lunches! We are in Phase 2 of the hot lunch rollout so we will continue to offer the Hot Lunch option on Wednesday's. You can also expect a short weekly "Clipper News" email regarding any important information or upcoming events the following week. *The Captain's Log* (our newsletter) will also be emailed home. If ever you feel out of the loop, please don't hesitate to call our main office!

It is important to us that our families work with our staff and Admin team. Issues arise throughout the year and, as parents ourselves, we UNDERSTAND the emotions involved when children come home upset about something that happened at school. Together, we can work through concerns. Please bring issues to light respectfully so we can help your child be successful at school. We both want the same so it's important we work as a team!

### *Grade 5 Parent Orientation, Curriculum Night, and First Day of School*

Parents/Guardians of our incoming grade 5 students are invited to an orientation on September 3<sup>rd</sup> from 5:00-5:45 pm. The School Admin team will be giving a short presentation on grade 5 here at Cunard and are available to answer any questions you may have!

Students and families in all grade levels are invited to meet the staff and see the building on September 3<sup>rd</sup> 2024. This evening is a great opportunity to meet the teachers as well! Grade 5 and 6 students are also welcome to drop off any supplies this evening! Hope to see you there!

**First Day of School September 5th:** Students will gather outside the front doors in the parking lot for 8:00 am. Grade 5 and 6 students will gather in the gym, be introduced to their teachers, and will then follow their homeroom teacher to their classroom for the year. ### ***Bussing and Transportation***

**The school itself does not organize or coordinate bussing. If you have questions around transportation, please contact HRCE Transportation.**

Every year, transportation details are available to view online through BusPlanner Parent Portal and are typically released mid-July. Families eligible for transportation will receive an email to access the Parent Portal and view their child's bus information once it is available. Students must reside within their designated catchment of the school they are attending and meet the minimum distance criteria to be

eligible for transportation. Any questions around transportation after the reconfiguration, should be directed to HRCE Transportation.

**Bussing is provided to:**

Students in elementary (PP to Grade 6) who live more than 1.6 km from their school

Students in junior high and secondary (Grades 7 to 12) who live more than 2.4 km from their school.

If you don't hear anything by mid-July, you may want to check your "junk" box (as sometimes it is filtered and goes to the junk box instead of the inbox) or email or call the transportation department at 902-431-4723.

Everything you need to know about student transportation including eligibility, stop times and stop locations can be found on BusPlanner. Once you register and subscribe, you may also receive email notifications on changes to routes, bus delays or cancellations.

To sign up, go to BusPlanner at [hrce.mybusplanner.ca](http://hrce.mybusplanner.ca) and click on Parent Portal. Follow the instructions to create an account.

Don't have a BusPlanner Parent Portal account? Need help logging in? Please contact the HRCE Student Transportation Team at [transportation@hrce.ca](mailto:transportation@hrce.ca) or call 902-431-4723.
