Student Report:

- Current sports are softball and junior high and elementary track.
- Students have been helping deliver hot lunch.
 - Some new meals are better, some worse tasting than before
- The outdoor classroom has been moved, and it is being used.
- Students are excited about the new location of the basketball court
- They like the stopper in the Gaga ball court
- There was a Black Excellence podcast which the students really liked.
- Question of the day is being posted in the main lobby and students like that.
- Elementary students are going to the Oval next week
- There is a violin and band concert coming up.

Admin report: May 2026

Current Enrollment: 367 (up from 354 last SAC)

Payback Late Homework club for missed assignments

Staffing:

Increased EAL Allocation Next Year

LC Allocation

No cuts to direct staff

Social Worker gone: School's Plus can't take them on

Finance Meeting regarding Breakfast Program: Will not be asking families to donate

Posting: New EPA 80%, Nothing in first round

PODCAST: Between the Bells! Going strong, kids love it.

SAC fund ideas: Ordered 10 Chromebooks \$469.68 Total: \$4696.80

Literacy Goal: Improve student's ability to dive more deeply into analyzing and interpreting texts

Math Goal: Improve student's growth mindset by problem-solving independently (through embracing productive struggle)

Well-Being Goal: Improve student's independence and professional growth (through independent responsibility and accountability).

Old Business

SAC funds have been used to buy chromebooks.

Basketball court is being moved (currently being paved).

New Business:

JWM reconfiguration and how it impacts our grade 5s. (Now 2 classes)

School Priorities Going Forward:

- Our grade 8s are already at capacity for next year.
 - Additional LC support
 - Updating the lobby
 - Academic
 - teachers will be meeting with previous grade levels before school starts in September.
 - School goals will continue for math, literacy and well being.
 - Update to crosswalk (will be 3 or 4 years away).
- There was an info session which Sherry attended concerning how students get to school (walk, bike, bus) They may look into how students at Cunard get to school.
