Parent/Teacher Interviews

Parent Teacher conferences will be held **April 7th, 2022 from 12:15pm-2:15pm via phone calls and 6pm-8pm in-person meetings**.

This term we will be offering our parent/teacher conferences in two ways. Teachers will be available by phone during our afternoon sessions as well as in-person in the evening. Parents will be required to book an appointment online for all afternoon times. During the evening sessions, parents will need to book an appointment for all homeroom elementary teachers but all specialists and junior high teachers will be available on a first come first serve basis in the school gymnasium.

If you feel you will need more than the 10 minute allotted time, please email the classroom teacher to arrange a different time to discuss your child. Also, if you are not able to see all teachers you wish during the parent teacher conference sessions, please email the classroom teacher to set up another time to discuss your child.

The following information is the link to book your parent teacher appointments. Please don't wait as they fill up quickly.
